ABOUT VOLUNTARIARTE

ARTmosfera offers to 3 volunteers a long term volunteer project that will take place from March 2021 to November 2021 (9 months).

The volunteers will support the activities that the organization carries out regularly. Some of the activities that are carried out are: offering artistic residencies, creating shows, offering circus courses, organizing events and festivals, receiving youth exchanges... In addition, volunteers can contribute with their own ideas and proposals.

Volunteers will be selected according to following knowledges:

- Production: will help in the creation and organization of projects, workshops, events, ...
- Communication: will help in the promotion of the organization's activities, photography, videos, social networks, website ...
- Creative: will provide support in the creation of scenery elements and development of artistic activities

Previous experience in some tasks related to these activities will be valued, although this will not be exclusive being more important the interest they show in learning.

This project is funded by the European Commission and covers:

- Travel expenses (up to the limits established in the distance calculator of the Erasmus+ Guide).
- Accommodation: you will live in a house shared with the rest of the volunteers and project managers. In the same facilities where the volunteer activities will take place.
- Pocket money for food and other expenses

WHAT TO BRING?

Don't forget to bring your own ID and European Health Insurance Card.

Important: You must bring your original travel tickets and all your boarding passes (if you are flying)! It is necessary for reimbursement.

It could be useful if you bring your personal laptop.

The weather is hot in summer and cold in winter. Bring clothes appropriate to the weather and the place.

Be aware that you will be living and working in an isolated rural place, so you should be willing to live this rural experience. Of course in your leisure time you will have the chance to go to the city.
